

Welcome to the SCPOC TOR!

Cruise & Dinner!

August 15, 2015 – 10:00am to ?????

Starting Point: ARCO Olympic Training Center
2800 Olympic Parkway
Chula Vista, CA 91915

Ending Point: Outback Steakhouse or Dickie's Barbecue Pit
40275 Winchester Road
Temecula, CA 92591

Thank you for joining us on SCPOC Twist-O-Rama! It is our hope that you will enjoy your ride and have a fun time the remainder of the weekend. Please read the directions below carefully. If you have any questions, please ask.

A few notes first:

- Make sure your car is in good repair. That means all tires are properly inflated and in good condition; that your car has no leaks or other mechanical problems.
- Have plenty of fuel. There will be few gas stops on this cruise, so please make sure that your tank is full before leaving.
- Have a small set of tools available in the event you must stop and make a roadside repair.
- Please be courteous on the road. This cruise is meant to be just that, a cruise. There are no 'points' or 'awards' on this cruise. At NO time should this be considered a race. **ANYONE DRIVING RECKLESSLY OR DANGEROUSLY WILL BE ASKED TO LEAVE THE GROUP.** There will be NO EXCEPTIONS.
- At NO time should anyone start driving carelessly. This can jeopardize the ENTIRE GROUP, not to mention that it is NOT SAFE and it can result in serious harm or injury to EVERYONE ON THE CRUISE. This point cannot be stressed enough.
- Everyone is encouraged to have an FRS radio WITH sub-channels. They are not that expensive and can be purchased at your local electronics store. We will be on channel 9, sub-channel 15.
- No excessive noise. This means please do not blast your radios so that all in the county can hear it. It also means no "throttle blips" or "rev dumps" when sitting in the parking lot, at a stop sign, or at a light. This draws unnecessary attention to the group.
- Please keep the FRS channel as clear as possible. We will be using FRS radios to communicate with one another. This is done so that we may keep track of ALL the drivers and in case any emergency situations develop. Excessive chatter can lead to an important message not being delivered.
- Do not use your cell phones while driving. Chances are most of us won't have much of a signal anyway, since we're going to be traveling into a few mountain areas. We need all drivers to concentrate on the ROAD because some of these roads have very sharp turns and you must have your wits about you at all times.
- If at any time, anyone needs to make a stop, please call out on the FRS radio or phone the group leader. We will try to accommodate your needs as much as possible.
- HAVE FUN! The main point of this drive is to have fun and we want everyone to enjoy themselves, regardless of the pace!

The TOR features a one day driving event with a dinner at the end. Previously, this was a two day weekend event that featured a beach BBQ on the second.

If anyone wishes to caravan to the starting point, please organize that with your particular group; for SCPOC members, we can meet at our designated Orange County caravan location NO LATER than 8:30 am. Directions to our OC caravan location can be found at www.scpoc.com.

We will take the I-5 south to the I-805 south. We will exit on Orange Ave/Olympic Parkway and head east for a couple of miles. There is a Chevron gas station along the way for everyone to fuel up. The entrance to the training center will be on the right. Pull into the parking lot on the left. We will wait about 15-20 mins to take some pictures before embarking.

When we leave, we will be taking the following route:

- Otay Lakes Rd east to Campo Rd (SR-94) and turn left

- Campo Rd north to Honey Springs Rd and turn right

- Honey Springs Rd north to Lyons Valley Rd and turn right

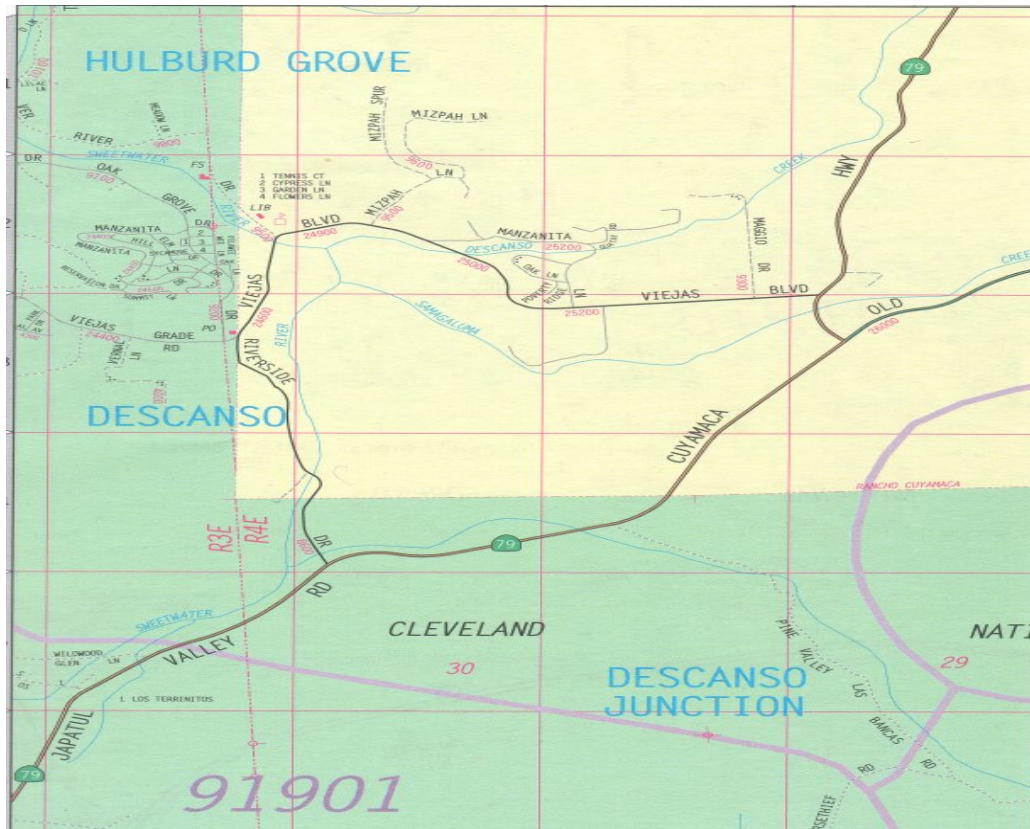

- Lyons Valley Rd to Japatul Valley Rd and turn right

NOTE: Japatul Valley Rd crosses under I-8

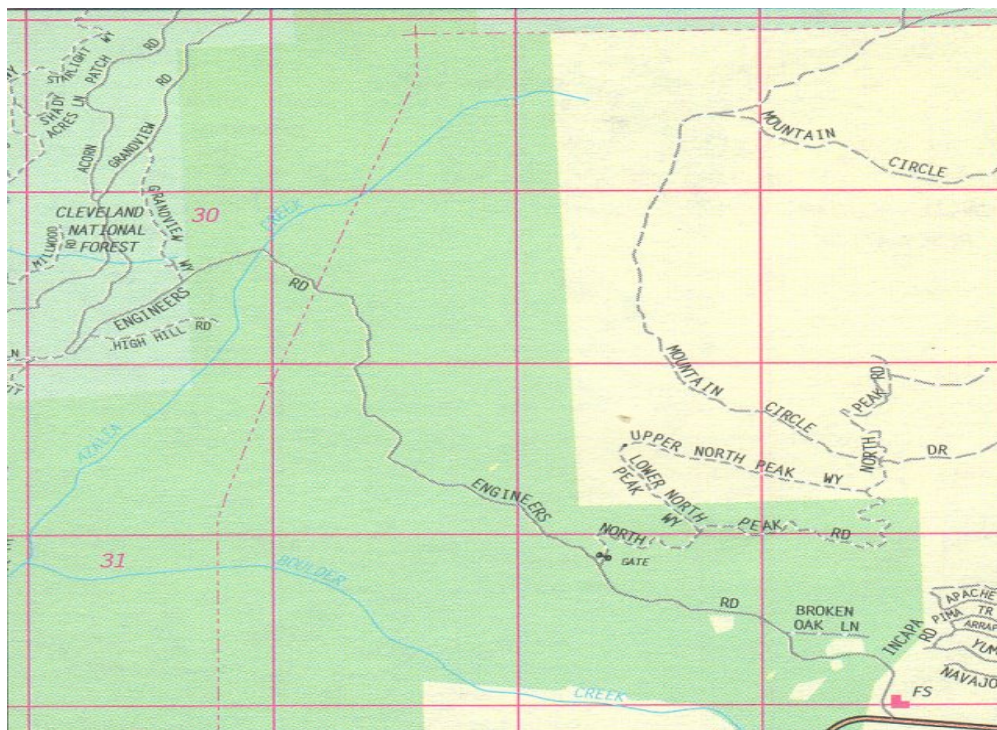

- Japatul Valley Rd becomes Cuyamaca Highway (SR-79)

NOTE: BE CAREFUL to stay on the left side of the fork. If you do not, you will become separated from the rest of the pack. There will be a sign designating SR-79 to the left.

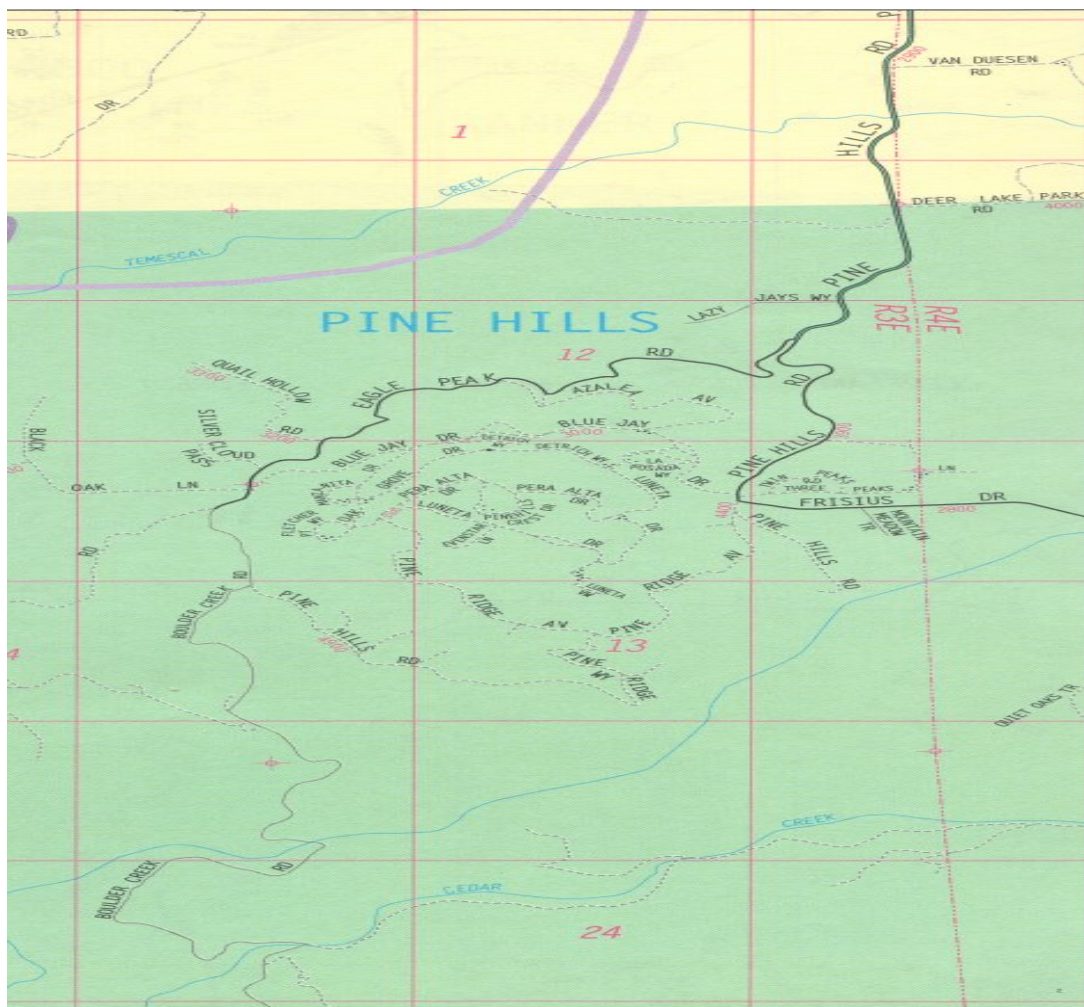

- SR-79 to Engineers Rd and turn left (there is a fire station on the corner)

- Engineers Rd to Boulder Creek and turn right

- Boulder Creek becomes Eagle Peak Road

- Eagle Peak Rd to Pine Hills Rd and turn left

- Pine Hills Rd to Julian Rd (SR-78/79) and turn right

- Julian Rd to Main Street and turn right

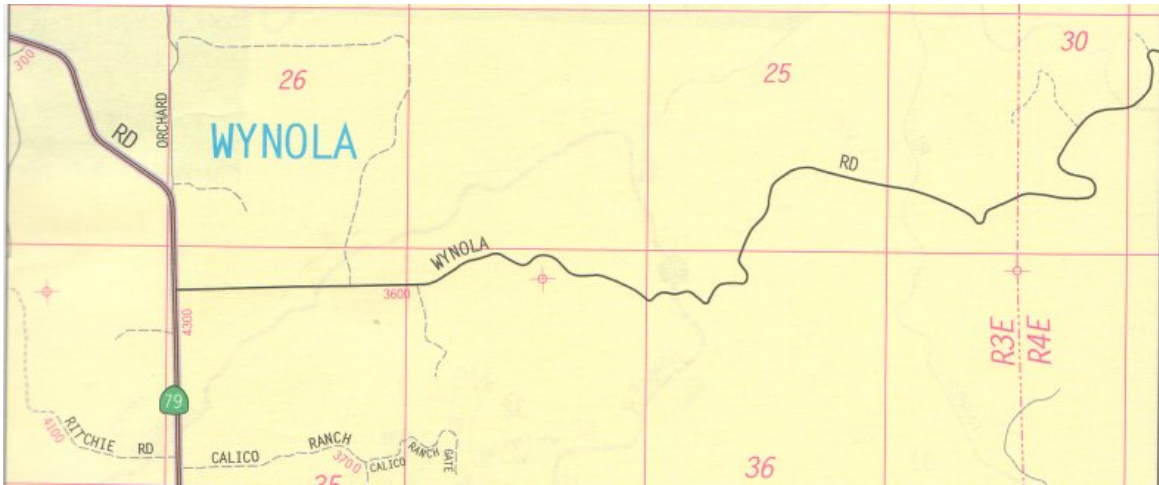

- Main St becomes Banner Rd (where SR-78 and SR-79 split – STAY ON SR-78)

- Banner Rd to Wynola Rd and turn left

- Wynola Rd to Julian Rd (SR-78/SR-79) and turn right

- Julian Rd to SR-78/SR-79 junction in Santa Ysabel

- Take SR-79 north to Pala Rd (SR-76) and turn left

- Take SR-76 to E. Grade Road and turn right

- East Grade Rd becomes South Grade Rd – STAY LEFT AT THE FORK IN THE ROAD!

- Take South Grade Road to Pala Rd (SR-76) and turn right

- Take Pala Road (SR-76) west to I-15 North

- Take I-15 North toward Temecula and exit on Winchester Road (SR-79 North)

- Take Winchester Road to Ronpaul Road and turn LEFT. Turn LEFT into the parking lot.

We will be having dinner at either Outback Steakhouse or Dickie's Barbecue Pit in Temecula:

Outback Steakhouse
40275 Winchester Road
Temecula CA 92591

We're glad that you were able to make it out with us today and we hope that you enjoyed the drive. Please drive safely on your way home.
